THE BNU WELCOME

Welcome to Buckinghamshire New University!

We are looking forward to you joining our **Registered Nursing Degree Apprenticeship** course in **March 2023**.

At BNU we pride ourselves on the support we offer our students to succeed in their academic learning and creating professionals ready for employment. This information pack has been created by the BNU Welcome Team and your Programme Lead, **Lynsey McLeish,** to provide you with information that you will need for a successful start at BNU. Please read it carefully before you join us.

ABOUT YOUR COURSE

A warm welcome to the **Registered Nurse Degree Apprenticeship (RNDA)** Programme.

This programme is a work-based programme that integrates academic and work-based learning through collaboration between your employer and the University. This programme enables you to develop knowledge, skills and professional values required to deliver compassionate, safe and effective nursing care as an autonomous, reflective practitioner.

On successful completion of your programme, you will be qualified to deliver a wide range of clinical and care skills and will be able to demonstrate appropriate values and behaviours, underpinned by a systematic knowledge base training.

You will be expected to work hard, both during and outside of your timetabled hours, to enable you to fulfil the requirements and successfully meet the demand of this programme. To help you with this, the academic team and the apprenticeship hub will be monitoring your progress through the programme. Help and support will also be provided by your nominated Apprenticeship Partnership Manager (APM).

YOUR INDUCTION

You are invited to attend a two day, face-to-face induction on **Wednesday 1st March 2023 and Thursday 2nd March 2023** at our **Uxbridge Campus, 106 Oxford Road, Uxbridge, UB8 1NA.** Our base for the two days will be room 0.03; please arrive by 9am and make your way to the main reception where you will be shown to your room.

The schedule of activities for your induction is listed on the next page.
