Your Welcome Week Timetable

For students studying the following course:

BSc (Hons) Software Engineering

Your Welcome Week timetable can be found below.

All events on this timetable will take place at our High Wycombe Campus. Directions to this campus can be found here. When you arrive on-campus, please make your way to the main concourse where our Freshers' Helpers will be available to assist you with finding the room you need. Our Helper team will be around all week (look out for their bright orange fleeces!) and can answer any questions you might have.

Your document checking session will take place in 'The Room.' Please ensure that you have completed our online enrolment process before attending your document checking session. When you attend for document checking you will need to present hard-copy proof of your ID (i.e. your passport, or in the absence of your passport your EU/EEA National Identity Card or your Birth / Adoption certificate with confirmation of your National Insurance Number). You will also require proof of your qualifications. Your student ID card will be issued to you at this session and there will be a chance to win an Amazon gift voucher!

As well as your timetabled activity, we will be running a series of drop-in sessions across the week that all students are welcome to attend. These are shown on this timetable and a note detailing what to expect at each session can be found on page 3.

On Wednesday we have timetabled 'Headspace' over lunch. All activities will be on-hold during this break to give you a chance to pause and collect your thoughts. Why not take the opportunity to grab a coffee or some lunch with a new friend? Or, if you are feeling a bit lost, our Freshers' Helpers will be around handing out free fruit and ready to have a chat. Keep an eye out for their distinctive orange fleeces around the campus!

Bucks Students' Union will be running campus tours all throughout Freshers' Fortnight and you can sign up for them, and all of our other amazing activities, on our What's On page. When booking, please ensure you follow the checkout process all the way to the end to secure your place. We will also be running tours of our library and you will find sign-up details for these on the same page.

We are also running a series of activities during your first few teaching weeks to help you settle in. More information about these can be found towards the end of this timetable. **If you are an International student then you are also expected to attend our International Welcome Conference** which is taking place on **Wednesday 28th September, 12.30 - 16.30** in the **Gateway Lecture Theatre, High Wycombe Campus.**

If you have any queries about this timetable please contact us via welcome@bucks.ac.uk. We look forward to meeting you soon!

We will consider any request for accessible formats that may be required. Please send your request to welcome@bucks.ac.uk.

THE BNU WELCOME

BNU Welcome Drop-In Sessions

During Welcome Week we will be running a series of drop-in sessions themed around the stuff you need to know to get the most out of student life. These are shown in the 'drop-in sessions' column of your timetable and you are welcome to come and see us and ask any questions that you have. No question is too big, too small or too 'silly,' so please don't be shy!

Each drop-in is running more than once across the week so please attend sessions that do not clash with your timetabled activity. If you are unable to attend a drop-in but you have a question then you can contact us by email - we have included contact details for the relevant teams below, along with a brief description of how they can help.

Inclusive BNU
This session is for students who identify as having a disability or those who may be supporting them. An opportunity to meet our Inclusion and Disability team, find out what support we can offer and how you can access this.
inclusion@bucks.ac.uk

Read All About It!
Shhhh! Not sure how to use the library? Will I get fines? What should I read? Where are my books? Come to the library help desk to have all your library-related questions answered.
library@bucks.ac.uk

Lost In Cyber Space
Emails not forwarding? MyBNU not downloading? Can't find your timetable? Bemused by Blackboard? Come along to this peer-led IT support drop-in where our current students who have done all this before will be waiting to help.
IT@bucks.ac.uk

Money Matters
Making ends meet (without living off baked beans) is a worry that all students have at some point! Our finance experts are ready to assist with queries about student finance, bursaries, hardships and anything else money-related.
students@bucks.ac.uk

Work It Out
How do I balance work with my studies? Why does every job need experience, yet nobody will give me the experience? How can I make my CV stand out from the crowd? Drop-in and talk it over with our Career Success team who can advise you on every aspect of being a working student.
careersuccess@bucks.ac.uk

Chaplain's Tea Party
Free cake! We repeat… free cake! Our team of multi-faith chaplains offer pastoral support whatever your faith, or even if you have none. They also love to showcase their tea and coffee making skills and claim to make the best hot chocolate in Buckinghamshire! Come along to this informal drop-in to meet the team, ask questions about anything and everything and judge the hot drinks for yourself.
students@bucks.ac.uk

Study Smart
Scared of statistics? Referencing a bit rusty? Concerned about what counts as plagiarism? Don't panic – our Student Learning and Achievement team can answer all your questions and help you to develop your academic skills.
