Your Welcome Week Timetable

For students studying the following course:

BSc (Hons) Nursing (Adult) with NMC Registration

And who are in the following group:

Group B

Your Welcome Week timetable can be found below.

Your face-to-face Welcome activity will take place at our Uxbridge campus. As well as this we will be delivering a series of online sessions that you are strongly encouraged to attend.

Further information about Uxbridge campus can be found here. Our Campus Link bus service runs regularly between High Wycombe and Uxbridge. More information about the bus service is available here.

When attending events on campus, please make your way into the main University reception area where our Freshers' Helpers will be ready to direct you to the room that you need to be in.

When attending events online, please click on the link embedded within your timetable to join the event. Some helpful advice about accessing virtual events can be found at the end of this document.

Please ensure that you have completed our online enrolment process before attempting to collect your student ID card. At the point of collecting your ID card you will need to present hard-copy proof of your ID (i.e. your passport, or in the absence of your passport your EU/EEA National Identity Card or your Birth / Adoption certificate with confirmation of your National Insurance Number). You will also require proof of your qualifications.

Our Students' Union will be running a programme of social events. You can find out more about these here.

If you have any queries about this timetable please contact us via welcome@bucks.ac.uk. Thank you.

THE BNU WELCOME

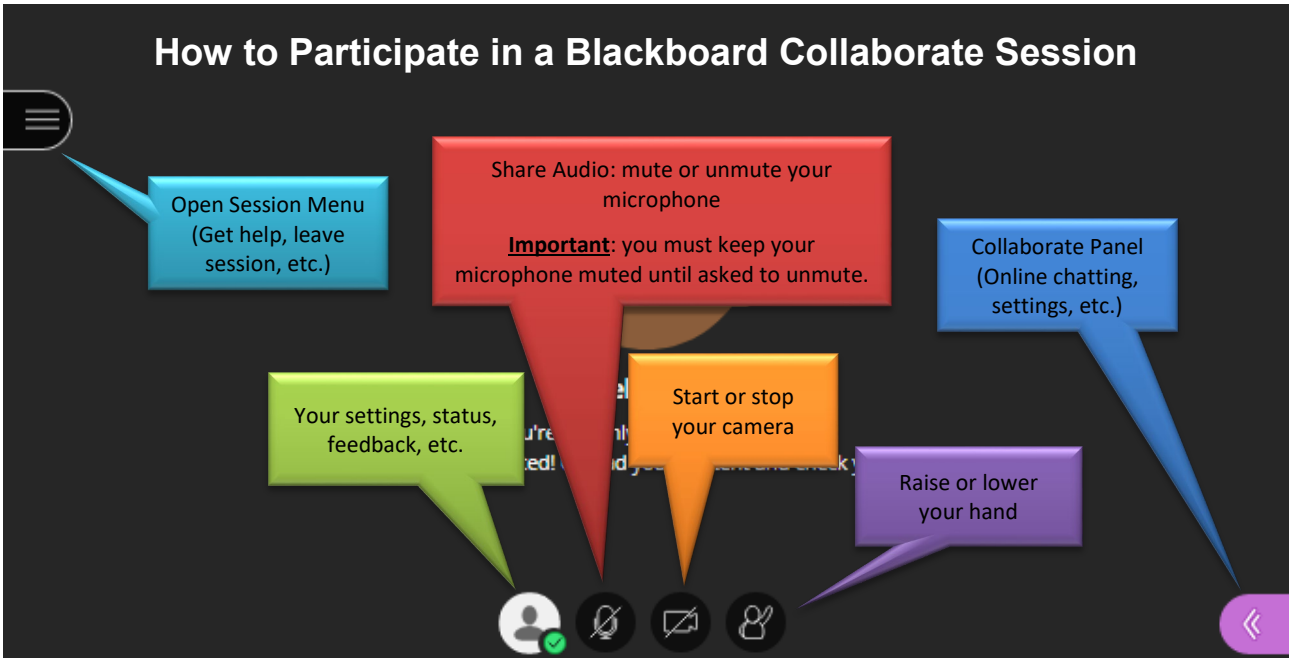
Joining Online Sessions

Join sessions early to check your audio and video settings are functioning properly.

Depending on what device you're using, you may have a preferred browser.

However, for Blackboard Collaborate we strongly recommend Google Chrome.

To improve your connection to online sessions, turn off other applications that you do not need.


Listen to the instructions of your lecturer, they will tell you if the session is going to be recorded and other activities that you may be participating in that will require you to turn on your microphone or video function.
