

PGCert Spirituality, Ecology and Mental Health (part-time, blended learning)

Your course team will be in touch with you about induction for your course, but in the meantime below is information about University-wide induction events we are running which you are welcome to join us for. Don't worry if you can't make it – you will still receive all the information you need for a successful start at BNU from your course team!

All events on this timetable will take place at our High Wycombe Campus. Directions can be found [here](#). When you arrive our Freshers' Helpers will be available to help you find the room you need. They will be around all week (look out for their bright orange fleeces!) and can answer any questions you have.

Enrolment

Please ensure that you have completed your [online enrolment](#) before attending campus for the first time or joining your first teaching session.

Drop-In Clinics

We are running two drop-in clinics which are shown on your timetable. You do not have to attend, but they are there to offer help and advice if you need it! At our **IT Clinic** current BNU students will be available to assist with all your BNU tech-related queries. No question is 'too silly' or 'too small' so do please come and see us if you have run into any issues.

Our **Academic Coaching Clinic** is an opportunity for students to connect with the Academic Coaching team. The drop-in clinic offers a supportive space for a brief check-in to discuss academic challenges and explore strategies for success. Students can also book their first one-to-one coaching session for more on going, tailored support.

Freshers' Fair

Bucks Students' Union will be running Freshers' Fair on **Wednesday 1st October** in **Dove** building. It starts at 12 noon and we have timetabled slots to ease crowding. Can't make your timetabled slot? You are welcome to visit at any time on Wednesday afternoon that suits you!

Campus Tours

Our Freshers' Helpers will be running campus tours all throughout Welcome Week. Visit our information desk on campus to find out more and sign-up!

Find your way with MazeMap!

If you are coming onto campus you can use **MazeMap**, our campus wayfinding app for High Wycombe, to help you to find your way around. Download the MazeMap mobile app from your app store, then click the [URL](#) to access BNU profile to start navigating.

Your Students' Union

Bucks Students' Union have organised a jam-packed two weeks of events, activities, skills sessions, sports, societies, and more. For more information check out their [What's On Page](#). Don't forget their support and activities aren't just for the first two weeks, but they are here all year round, making sure you have the best BNU experience possible. Be sure to check out their [website](#) to find out how you can get involved!

If you have any queries about this timetable or require it in an accessible format please contact us via welcome@bnu.ac.uk.
