# COURSE WELCOME PACK

Welcome to Buckinghamshire New University!

We are looking forward to you joining our **January 2025 Cohort** in **January 2026** in your progression from your Assistant Practitioner Foundation Degree to BSc Registered Nurse Degree Apprenticeship at BNU.

At BNU, we pride ourselves on the support we offer our students to succeed in their academic learning and on creating graduates ready for employment and career progression. This pack has been created by the BNU Welcome Team and your Programme Lead, **Amsale Wamburu**, to provide you with information that you will need for a successful start at BNU. Please read it carefully before you join us.

## ABOUT YOUR COURSE

A warm welcome to the Level 6 BSc Registered Nurse Degree Apprenticeship Programme!

This programme is a work-based programme that integrates academic and work-based learning through collaboration between your Employer and the University. This programme enables you to develop knowledge, skills and professional values required to deliver compassionate, safe and effective nursing care as an autonomous, reflective practitioner.

On successful completion of your programme, you will be qualified to deliver a wide range of clinical and care skills and will be able to demonstrate appropriate values and behaviours, underpinned by systematic, knowledge-based training.

You will be expected to work hard, both during and outside of your timetabled hours, to enable you to fulfil the requirements and successfully meet the demands of this programme. To help you with this, the academic team and the Apprenticeship Hub will be monitoring your progress through the programme through your APTEM portfolio and Tripartite progress meetings. Help and support will also be provided by your nominated Apprenticeship Partnership Manager (APM).
