

## Term 2 Exams, March 2026

| Start Time                | End Time | Venue       | Module Code | Module Name   |
|---------------------------|----------|-------------|-------------|---|
| <b>Monday 16 March</b>    |          |             |             |   |
| 09:30                     | 12:45    | Events Hall | BAM5008     | Financial Management  |
| 09:30                     | 12:45    | Events Hall | BAM6013     | UK Taxation (Corporation Tax)                               |
| 09:30                     | 11:45    | Events Hall | BAM4008     | Financial Accounting  |
|                           |          |             |             |   |
| 14:00                     | 15:30    | Events Hall | PSY4004     | Nature and Nurture in Psychology                            |
|                           |          |             |             |   |
| <b>Tuesday 17 March</b>   |          |             |             |   |
| 09:30                     | 12:45    | Events Hall | BAM5023     | Introduction to UK Taxation (Personal Tax)                  |
| 09:30                     | 11:30    | Events Hall | ALL7016     | Imaging Practice I  |
| 09:30                     | 10:30    | Events Hall | CAD5100     | Management Strategies, Economics and Finance                |
|                           |          |             |             |   |
| <b>Wednesday 18 March</b> |          |             |             |   |
| 09:30                     | 11:00    | Events Hall | PSY4003     | Researching Psychology                                      |
|                           |          |             |             |   |
| 14:00                     | 16:00    | Events Hall | ALL5012     | Applied Anatomy and Physiology                              |
| 14:00                     | 16:00    | Events Hall | ALL5019     | Applied Anatomy and Physiology                              |
| 14:00                     | 15:00    | Events Hall | ABP7004     | Project Management  |
| 14:00                     | 15:00    | Events Hall | CAD5102     | Measurement, Instrumentation and Control System Engineering |
|                           |          |             |             |   |
| <b>Thursday 19 March</b>  |          |             |             |   |
| 09:30                     | 11:45    | Events Hall | BAM4009     | Business and Technology                                     |
| 09:30                     | 11:00    | Events Hall | ALL7014     | Professional Practice and Anatomy for Imaging               |
|                           |          |             |             |   |
| 14:00                     | 16:00    | Events Hall | CAD4079     | Science and Materials for Engineers                         |
| 14:00                     | 15:30    | Events Hall | ENG5034     | Structural Analysis and Design I                            |
|                           |          |             |             |   |
| <b>Friday 20 March</b>    |          |             |             |   |
| 09:30                     | 12:30    | Events Hall | ALL7015     | Radiation Imaging and Science                               |
| 09:30                     | 11:00    | Events Hall | SES4012/A   | Principles of Biomechanics in Sport                         |
|                           |          |             |             |   |

**PEP students will be emailed separately with their exam room - exam dates / start times are the same**
